## Furniture Showcase

### Dining Arm Chair

The dining arm chair from the Thomas Pheasant Collection from McGuire offers a sleek woven design which is handcrafted, in this case using halfinch leather strips woven together in an architectural 2x2 weave. The dining armchair and matching side chair are offered in a woven rattan core version in addition to the woven leather version.

### Sofa Wallbed

The Sico 24/7 System combines the comfort of a real sofa together with the sleeping pleasures of a real bed, allowing hoteliers to maximize seating and sleeping areas as well as room profits 24 hours a day, seven days a week. The system is ideal for timeshares, hotels and other property where space might be limited. The system can be designed as a recess, or with cabinetry. Finish and fabric and be specified to match the decor of the property.

### High-Style Chair

Twist introduces the Bat Chair, a high-back, high-style chair that cradles contemporary design and comfort at once. Be it a colorful boucle or New Zealand felted wool, the Bat Chair is as comforting to the touch as it is to sit in, claims the designer.

### Furniture Line

Duralee Fine Furniture, Inc. has added 28 new designs to its collection of sofas, beds, sectionals, seating, tables, consoles and mirrors, for a total of 550 standard styles. The new designs feature fully upholstered furniture, exposed wood chairs and tables with eight new finishes that include crackle and leafs. Contemporary, transitional, retro and traditional styles are available.

### Elegant Armoire

The Sanibel armoire from **Sorrentino Mariani** features beadboard door panels, a graceful curved frame and a honey finish on the maple veneer. The interior is designed for 21st century electronics, capable of housing flatscreen TVs. Optional side cabinets are ideal for a lighted display or storage. Made by American craftsmen in Virginia of quality veneers with select maple wood solids.

### High-Tech Storage

The Wave sound system from American of Martinsville offers storage for a wireless keyboard, with maple solids and Curupixa veneers, rich dark chocolate finish, black galaxy granite top and future integration capability to the web.

### Platform Bed

Century Furniture has joined forces with British designer Kelly Hoppen to launch a contemporary collection that exudes Asian tranquility. The collection encompasses fabrics, upholstery, wood and metal casegoods. Pictured is a platform bed. The

long horizontal panel of upholstery on the headboard is typical of the designer's use of elegant linear and geometric forms combined with luxurious and sensuous materials.

#### Folding Tables

Midwest Folding Products offers heavy-gauge ABC plastic tabletops, with extra-thick protective edges designed to withstand rough handling. Tables feature heavy-duty, all-welded, wishbone style legs with double cross bracing and spring-bolt leg brace mechanisms for long-term durability.

#### Seating and Tables

LB Furniture Industries specializes in seating and tables applicable for use in hospitality environments. Products are made to order in one's choice of finish and upholstery including custom finishes to match existing carpentry and use of customer-provided material. A wide range of custom upholstery treatments includes springing, custom tailoring, alternate color welts, pattern matching and use of multiple upholsteries on the same chair.

#### Sofabed

The Makinen sofabed allows for optimal use of available space. Custom sizes range from an armchair to a generous three-seater, and the patented mechanism opens the bed either forward or lengthwise. The upholstery can be customized, and can be removed, washed and replaced.
